

ALLIEVI DEL PRIMO ANNO

Dear Sponsor

We are the first year student of Don Bosco hotel school. we would like to say thank you for supporting us in 'DBHS'. Since we came and study unit now it's really meaningful and we enjoy very much learn with our teachers and our friends. we're grateful that we have opportunity to stay and study here as our family in 'DBHS'. Our examination is coming up in the middle of next month in August, and then we'll become second year students for next year.

We try our best to study hard as much as we can. and we commitment to be a good student and good person in our Society.

we hope that after we graduate from here we will become a professional skilled employees and find a good job to work.

Finally we would like to say thank you. that you have been supporting our studies and always helping us. we hope you will continue assisting us. we wish you all the best in life and May god graciouse unto you always.

With love

Appreciation Letter

Dear Sponsor,

We are Second year students from all departments. We are going to graduate soon. Thank you for your supports and it help us a lots. We can see ourself now that very different from the first day we step on Don Bosco Hotel School. We learn so much here. We came here like a child and leave here like an adult who is mature enough to behave and work in society. We are really thankful, without your supporting non of us will get this great opportunity to learn and grow.

Thank you once again and wish you all the best !

with respects,

All Second Year Students
